7th Tradition Distributions

Excess funds, over and above expenses and a prudent reserve, should be distributed at least quarterly or, preferably, at shorter intervals. The formula in use for distributions is referred to as 60-30-10. The suggestion is that 60% of the excess funds should be distributed to the meeting's intergroup; 30% to the World Services Organization (WSO); and 10% to the region, in our case Region 2 aka R2.

Donations to WSO and R2 can be made by check or money order. Cash should NOT be sent through the postal mail. Distributions to the Intergroup can be sent through the mail as checks or money orders or given in person to the Intergroup treasurer in the form of check, money order, or cash.

For distributions made by check or money order, please make sure the meeting's identification number is written on the face of the check or money order. If cash is given, please put it in an envelope and write the meeting number and amount enclosed on the front of the envelope.
